## Help for your email clutter!

Many of you have asked about the clutter feature in your new Outlook email. First thing to know is that clutter really isn't a spam filter. Spam messages will go to your junk mail folder. So, be sure to check your junk mail folder occasionally. Clutter will "learn" what your lower priority messages are and those are the one's that will be put in the clutter folder. If you find a message in your clutter folder, that you prefer goes to your inbox, drag it to your inbox. It may take a couple of times or so, but clutter will learn that particular messages belong in your inbox, and others are ok to send to clutter. It may take a little while for you to get used to clutter, but many people really like this feature once they become accustomed to it and clutter learns to put most things in the appropriate place. Should you decide that you do not like clutter and wish to turn this off, you will need to login to the Outlook Web Access client (OWA) in order to turn off the feature. That is, login with your web browser to access Outlook. For more information about clutter, including how to turn it off, please check out this website: <https://support.office.com/en-us/article/Use-Clutter-to-sort-low-priority-messages-in-Outlook-2016-for-Windows-7b50c5db-7704-4e55-8a1b-dfc7bf1eafa0>

## Green Zone Initiative

**What:** The Green Zone Initiative Luncheon

**When:** Tuesday, March 8 12:00-1:00

**Where:** Black and Gold Room, Memorial Union

The 2016 Spring semester brown bag luncheon of the FHSU Green Zone Initiative will be Tuesday, March 8th from 12:00 to 1:00 in the Black and Gold Room, in the Memorial Union. The Green Zone Initiative is intended to create safe spaces for student veterans. Faculty and staff interested in making themselves available to student veterans in need are encouraged to participate in this initiative.

The Green Zone Initiative is a product of the The Kelly Center, the Department of Leadership Studies, the Office of Military Student Success, and the Virtual College. The initiative consists of approximately one hour of the Kognito training *Veterans on Campus for Faculty and Staff*, and a one hour brown bag lunch seminar explaining the scope and objectives of the program. upper right menu bar. If you bring your certificate of completion we will award you with the Green Zone placard to be placed in your office space identifying it as a military friendly area of operation.

You don't have to be a veteran to support our student veterans. All faculty and staff are welcome and encouraged to participate in this initiative.

### **Why do student veterans struggle with college?**

- Use to being with others of similar background.
- Need personal support.
- View college as confusing
- "Unfriendly" policies and procedures.
- Lack of funds / benefits slow to arrive.
- Feel out of place with traditional age students.
- Overwhelmed by life.
- Lack of empathy from fellow students / staff

### **Alarming veteran statistics**

- Number of service members with PTSD is higher than at any time in history since the Vietnam War.
- Traumatic Brain Injury (TBI) is the signature wound of this war leading to social adjustment and anxiety disorders
- Veteran suicide rate is currently at 22 veterans a day taking their own life.
